Dear Community,

August 31, 2018 was Sarah Clyne's last day as the Executive Director at Domestic Abuse Project.

We thank Sarah for her service to Domestic Abuse Project's clients and staff. We also recognize her work on moving social justice to the forefront of DAP's values, strengthening the financial position of the organization, and developing DAP's current strategic plan in partnership with the strategic planning committee.

We will be announcing the hiring of an Interim Executive Director shortly, as well as undertaking a process to identify and hire a permanent Executive Director to lead the organization, [fulfill the strategic plan](#), and guide the organization into its next chapter as we approach our 40th anniversary.

The Board thanks you for your continued support and we are excited to grow the impact that DAP has on families affected by domestic violence. We are committed to carrying out DAP's mission of building communities free from violence by providing holistic healing for every member of the family.

For inquiries, please contact Domestic Abuse Project's Director of Development and Communications, Aaron Zimmerman, 612-874-7063 or azimmerman@mndap.org.

Sincerely,

Martha Ginder
Chair, DAP Board of Directors
